

## **Part I Review: update for the Department and its alumni**

The Faculty Board of Engineering has convened a Working Group to Review Part I of the Engineering Tripos. An update for the Department and its alumni is attached which consists of three parts:

1. a list of guiding principles for the Review;
2. the findings of the Department-wide consultation in Lent Term 2019;
3. a proposed attribute list for graduates of the revised course (for comment).
